1. There shall be established within the office of the treasurer of state a fund to be known as the beer and liquor control fund. The fund shall consist of any moneys appropriated by the general assembly for deposit in the fund and moneys received from the sale of alcoholic liquors by the division, from the issuance of permits and licenses, and of moneys and receipts received by the division from any other source.

2. a. The director of the department of administrative services shall periodically transfer from the beer and liquor control fund to the general fund of the state those revenues of the division which are not necessary for the purchase of liquor for resale by the division, or for remittances to local authorities or other sources as required by this chapter, or for other obligations and expenses of the division which are paid from such fund.

b. All moneys received by the division from the issuance of vintner's certificates of compliance and wine permits shall be transferred by the director of the department of administrative services to the general fund of the state.

3. Notwithstanding subsection 2, if gaming revenues under sections 99D.17 and 99F.11 are insufficient in a fiscal year to meet the total amount of such revenues directed to be deposited in the revenue bonds debt service fund and the revenue bonds federal subsidy holdback fund during the fiscal year pursuant to section 8.57, subsection 5, paragraph "e", the difference shall be paid from moneys deposited in the beer and liquor control fund prior to transfer of such moneys to the general fund pursuant to subsection 2 and prior to the transfer of such moneys pursuant to subsections 5 and 6. If moneys deposited in the beer and liquor control fund are insufficient during the fiscal year to pay the difference, the remaining difference shall be paid from moneys deposited in the beer and liquor control fund in subsequent fiscal years as such moneys become available.

4. The treasurer of state shall, each quarter, prepare an estimate of the gaming revenues and of the moneys to be deposited in the beer and liquor control fund that will become available during the remainder of the appropriate fiscal year for the purposes described in subsection 3. The department of management, the department of inspections and appeals, and the department of commerce shall take appropriate actions to provide that the sum of the amount of gaming revenues available to be deposited into the revenue bonds debt service fund and the revenue bonds federal subsidy holdback fund during a fiscal year and the amount of moneys to be deposited in the beer and liquor control fund available to be deposited into the revenue bonds debt service fund and the revenue bonds federal subsidy holdback fund during such fiscal year will be sufficient to cover any anticipated deficiencies.

Of the amounts transferred, two million dollars, plus an additional amount determined by the general assembly, shall be appropriated to the Iowa department of public health for use by the staff who administer the comprehensive substance abuse program under chapter 125 for substance abuse treatment and prevention programs. Any amounts received in excess of the amounts appropriated to the Iowa department of public health for use by the staff who administer the comprehensive substance abuse program under chapter 125 shall be considered part of the general fund balance.

6. After any transfers provided for in subsections 3 and 5, the department of commerce shall transfer to the division from the beer and liquor control fund and before any other transfer to the general fund, an amount sufficient to pay the costs incurred by the division for collecting and properly disposing of the liquor containers.

7. Civil penalties imposed and collected by the division shall be credited to the general fund of the state. The moneys from the civil penalties shall be used by the division, subject to appropriation by the general assembly, for the purposes of providing educational programs, information and publications for alcoholic beverage licensees and permittees, local authorities, and law enforcement agencies regarding the laws and rules which govern the alcoholic beverages industry, and for promoting compliance with alcoholic beverage laws and rules.

123.22 State monopoly.

The division has the exclusive right of importation into the state of all forms of alcoholic liquor, except as otherwise provided in this chapter, and a person shall not import alcoholic liquor, except that an individual of legal age may import and have in the individual's possession an amount of alcoholic liquor not exceeding one liter or, in the case of alcoholic liquor personally obtained outside the United States, four liters for personal consumption only in a private home or other private

accommodation. A distillery shall not sell alcoholic liquor within the state to any person but only to the division, except as otherwise provided in this chapter. This section vests in the division exclusive control within the state as purchaser of all alcoholic liquor sold by distilleries within the state or imported, except beer and wine, and except as otherwise provided in this chapter. The division shall receive alcoholic liquor on a bailment system for resale by the division in the manner set forth in this chapter. The division shall act as the sole wholesaler of alcoholic liquor to class "E" liquor control licensees.

No person, acting individually or through another acting for the person shall directly or indirectly, or upon any pretense, or by any device, manufacture, sell, exchange, barter, dispense, give in consideration of the purchase of any property or of any services or in evasion of this chapter, or keep for sale, or have possession of any intoxicating liquor, except as provided in this chapter; or own, keep, or be in any way concerned, engaged, or employed in owning or keeping, any intoxicating liquor with intent to violate any provision of this chapter, or authorize or permit the same to be done; or manufacture, own, sell, or have possession of any manufactured or compounded article, mixture or substance, not in a liquid form, and containing alcohol which may be converted into a beverage by a process of pressing or straining the alcohol therefrom, or any instrument intended for use and capable of being used in the manufacture of intoxicating liquor; or own or have possession of any material used exclusively in the manufacture of intoxicating liquor; or use or have possession of any material with intent to use it in the manufacture of intoxicating liquors; however, alcohol may be manufactured for industrial and nonbeverage purposes by persons who have qualified for that purpose as provided by the laws of the United States and the laws of this state. Such alcohol, so manufactured, may be denatured, transported, used, possessed, sold, and bartered and dispensed, subject to the limitations, prohibitions and restrictions imposed by the laws of the United States and this state. Any person may manufacture, sell, or transport ingredients and devices other than alcohol for the making of homemade wine.

123.23 Distiller's certificate of compliance — injunction — penalty.

1. Any manufacturer, distiller, or importer of alcoholic beverages shipping, selling, or having alcoholic beverages brought into this state for resale by the state shall, as a condition precedent to the privilege of so trafficking in alcoholic liquors in this state, annually make application for and hold a distiller's certificate of compliance which shall be issued by the administrator for that purpose. No brand of alcoholic liquor shall be sold by the division in this state unless the manufacturer, distiller, importer, and all other persons participating in the distribution of that brand in this state have obtained a certificate. The certificate of compliance shall expire at the end of one year from the date of issuance and shall be renewed for a like period upon application to the administrator unless otherwise suspended or revoked for cause. Each application for a certificate of compliance or renewal shall be submitted electronically, or in a manner prescribed by the administrator, and shall be accompanied by a fee of fifty dollars payable to the division. However, this subsection need not apply to a manufacturer, distiller, or importer who ships or sells in this state no more than eleven gallons or its case equivalent during any fiscal year as a result of "special orders" which might be placed, as defined and allowed by divisional rules adopted under this chapter.

2. At the time of applying for a certificate of compliance, each applicant shall submit to the division electronically, or in a manner prescribed by the administrator, the name and address of its authorized agent for service of process which shall remain effective until changed for another, and a list of names and addresses of all representatives, employees, or attorneys whom the applicant has appointed in the state of Iowa to represent it for any purpose. The listing shall be amended from time to time by the certificate holder as necessary to keep the listing current with the division.

3. The administrator and the attorney general are authorized to require any certificate holder or person listed as the certificate holder's representative, employee, or attorney to disclose such financial and other records and transactions as may be considered relevant in discovering violations of this chapter or of rules and regulations of the division or of any other provision of law by any person.

4. Any violation of the requirements of this section, except subsection 3, shall subject the violator to the general penalties provided in this chapter and in addition to the general penalties, is grounds for

suspension or revocation of the certificate of compliance, after notice and hearing before the administrator. Willful failure to comply with requirements which may be imposed under subsection 3 is grounds for suspension or revocation of the certificate of compliance only.

5. This section shall not require the listing of those persons who are employed on premises where alcoholic beverages are manufactured, processed, bottled or packaged in Iowa or persons who are thereafter engaged in the transporting of such alcoholic beverages to the division.

6. The attorney general may also proceed pursuant to the provisions of section 714.16 in order to gain compliance with subsection 3 of this section and may obtain an injunction prohibiting any further violations of this chapter or other provisions of law. Any violation of that injunction shall be punished as contempt of court pursuant to chapter 665 except that the maximum fine that may be imposed shall not exceed fifty thousand dollars.

123.24 Alcoholic liquor sales by the division — dishonored payments — liquor prices.

1. The division shall sell alcoholic liquor at wholesale only. The division shall sell alcoholic liquor to class “E” liquor control licensees only. The division shall offer the same price on alcoholic liquor to all class “E” liquor control licensees without regard for the quantity of purchase or the distance for delivery. However, the division may assess a split-case charge when liquor is sold in quantities which require a case to be split.

2. a. The division may accept from a class “E” liquor control licensee electronic funds transferred by automated clearing house, wire transfer, or another method deemed acceptable by the administrator, in payment of alcoholic liquor. If a payment is subsequently dishonored, the division shall cause a notice of nonpayment and penalty to be served upon the class “E” liquor control licensee or upon any person in charge of the licensed premises. The notice shall state that if payment or satisfaction for the dishonored payment is not made within ten days of the service of notice, the licensee’s liquor control license may be suspended under section 123.39. The notice of nonpayment and penalty shall be in a form prescribed by the administrator, and shall be sent by certified mail.

b. If upon notice and hearing under section 123.39 and pursuant to the provisions of chapter 17A concerning a contested case hearing, the administrator determines that the class “E” liquor control licensee failed to satisfy the obligation for which the payment was issued within ten days after the notice of nonpayment and penalty was served on the licensee as provided in paragraph “a” of this subsection, the administrator may suspend the licensee’s class “E” liquor control license for a period not to exceed ten days.

3. The administrator may refuse to sell alcoholic liquor to a class “E” liquor control licensee who tenders a payment which is subsequently dishonored until the outstanding obligation is satisfied.

4. The price of alcoholic liquor sold by the division shall include a markup of up to fifty percent of the wholesale price paid by the division for the alcoholic liquor. The markup shall apply to all alcoholic liquor sold by the division; however, the division may increase the markup on selected kinds of alcoholic liquor sold by the division if the average return to the division on all sales of alcoholic liquor does not exceed the wholesale price paid by the division and the fifty percent markup.

5. Notwithstanding subsection 4, the division shall assess a bottle surcharge to be included in the price of alcoholic liquor in an amount sufficient, when added to the amount not refunded to class “E” liquor control licensees pursuant to section 455C.2, to pay the costs incurred by the division for collecting and properly disposing of the liquor containers. The amount collected pursuant to this subsection, in addition to any amounts not refunded to class “E” liquor control licensees pursuant to section 455C.2, shall be deposited in the beer and liquor control fund established under section 123.53.

1. a. A liquor control license may be issued to any person who is of good moral character as defined by this chapter.

b. As a condition for issuance of a liquor control license or wine or beer permit, the applicant must give consent to members of the fire, police, and health departments and the building inspector of cities; the county sheriff or deputy sheriff; members of the department of public safety; representatives of the division and of the department of inspections and appeals; certified police officers; and any official county health officer to enter upon areas of the premises where alcoholic beverages are stored, served, or sold, without a warrant during business hours of the licensee or permittee to inspect for violations of this chapter or ordinances and regulations that cities and boards of supervisors may adopt. All persons who enter upon a licensed premises to conduct an inspection shall present appropriate identification to the owner of the establishment or the person who appears to be in charge of the establishment prior to commencing an inspection; however, this provision does not apply to undercover criminal investigations conducted by peace officers.

c. As a further condition for the issuance of a class “E” liquor control license, the applicant shall post a bond in a sum of not less than five thousand nor more than fifteen thousand dollars as determined on a sliding scale established by the division; however, a bond shall not be required if all purchases of alcoholic liquor from the division by the licensee are made by cash payment or by means that ensure that the division will receive full payment in advance of delivery of the alcoholic liquor.

d. A class “E” liquor control license may be issued to a city council for premises located within the limits of the city if there are no class “E” liquor control licensees operating within the limits of the city and no other applications for a class “E” license for premises located within the limits of the city at the time the city council’s application is filed. If a class “E” liquor control license is subsequently issued to a private person for premises located within the limits of the city, the city council shall surrender its license to the division within one year of the date that the class “E” liquor control licensee begins operating, liquidate any remaining assets connected with the liquor store, and cease operating the liquor store.

2. A liquor control license shall not be issued for premises which do not conform to all applicable laws, ordinances, resolutions, and health and fire regulations. A licensee shall not have or maintain any interior access to residential or sleeping quarters unless permission is granted by the administrator in the form of a living quarters permit.

3. Liquor control licenses issued under this chapter shall be of the following classes:

a. *Class “A”*. A class “A” liquor control license may be issued to a club and shall authorize the holder to purchase alcoholic liquors from class “E” liquor control licensees only, wine from class “A” wine permittees or class “B” wine permittees who also hold class “E” liquor control licenses only, and native wines from native wine manufacturers, and to sell liquors, wine, and beer to bona fide members and their guests by the individual drink for consumption on the premises only.

b. *Class “B”*. A class “B” liquor control license may be issued to a hotel or motel and shall authorize the holder to purchase alcoholic liquors from class “E” liquor control licensees only, wine from class “A” wine permittees or class “B” wine permittees who also hold class “E” liquor control licenses only, and native wines from native wine manufacturers, and to sell liquors, wine, and beer to patrons by the individual drink for consumption on the premises only. However, beer may also be sold for consumption off the premises. Each license shall be effective throughout the premises described in the application.

c. *Class “C”*.

(1) A class “C” liquor control license may be issued to a commercial establishment but must be issued in the name of the individuals who actually own the entire business and shall authorize the holder to purchase alcoholic liquors from class “E” liquor control licensees only, wine from class “A”

wine permittees or class “B” wine permittees who also hold class “E” liquor control licenses only, and native wines from native wine manufacturers, and to sell liquors, wine, and beer to patrons by the individual drink for consumption on the premises only. However, beer may also be sold for consumption off the premises.

(2) A special class “C” liquor control license may be issued and shall authorize the holder to purchase wine from class “A” wine permittees or class “B” wine permittees who also hold class “E” liquor control licenses only, and to sell wine and beer to patrons by the individual drink for consumption on the premises only. However, beer may also be sold for consumption off the premises. The license issued to holders of a special class “C” license shall clearly state on its face that the license is limited.

d. Class “D”.

(1) A class “D” liquor control license may be issued to a railway corporation, to an air common carrier, and to passenger-carrying boats or ships for hire with a capacity of twenty-five persons or more operating in inland or boundary waters, and shall authorize the holder to sell or furnish alcoholic beverages, wine, and beer to passengers for consumption only on trains, watercraft as described in this section, or aircraft, respectively. Each license is valid throughout the state. Only one license is required for all trains, watercraft, or aircraft operated in the state by the licensee. However, if a watercraft is an excursion gambling boat licensed under chapter 99F, the owner shall obtain a separate class “D” liquor control license for each excursion gambling boat operating in the waters of this state.

(2) A class “D” liquor control licensee who operates a train or a watercraft intrastate only, or an excursion gambling boat licensed under chapter 99F, shall purchase alcoholic liquor from a class “E” liquor control licensee only, wine from a class “A” wine permittee or a class “B” wine permittee who also holds a class “E” liquor control license only, and beer from a class “A” beer permittee only.

A holder of a class “E” liquor control license may hold other retail liquor control licenses or retail wine or beer permits, but the premises licensed under a class “E” liquor control license shall be separate from other licensed premises, though the separate premises may have a common entrance. However, the holder of a class “E” liquor control license may also hold a class “B” wine or class “C” beer permit or both for the premises licensed under a class “E” liquor control license.

(2) The division may issue a class “E” liquor control license for premises covered by a liquor control license or wine or beer permit for on-premises consumption, if the premises are in a county having a population under nine thousand five hundred in which no other class “E” liquor control license has been issued by the division, and no other application for a class “E” license has been made within the previous twelve consecutive months.

4. Notwithstanding any provision of this chapter to the contrary, a person holding a license to sell alcoholic liquors for consumption on the licensed premises may permit a customer to remove one unsealed bottle of wine for consumption off the premises if the customer has purchased and consumed a portion of the bottle of wine on the licensed premises. The licensee or the licensee’s agent shall securely reseal such bottle in a bag designed so that it is visibly apparent that the resealed bottle of wine has not been tampered with and provide a dated receipt for the resealed bottle of wine to the customer. A wine bottle resealed pursuant to the requirements of this subsection is subject to the requirements of sections 321.284 and 321.284A.

123.37 Exclusive power to license and levy taxes — disputed taxes.

1. The power to establish licenses and permits and levy taxes as imposed in this chapter is vested exclusively with the state. Unless specifically provided, a local authority shall not require the obtaining of a special license or permit for the sale of alcoholic beverages, wine, or beer at any establishment, or require the obtaining of a license by any person as a condition precedent to the person’s employment in the sale, serving, or handling of alcoholic beverages, wine, or beer, within an establishment operating under a license or permit.

2. The administrator may compromise and settle doubtful and disputed claims for taxes imposed under this chapter or for taxes of doubtful collectibility, notwithstanding section 7D.9. The administrator may enter into informal settlements pursuant to section 17A.10 to compromise and settle doubtful and disputed claims for taxes imposed under this chapter. The administrator may make a claim under a licensee’s or permittee’s penal bond for taxes of doubtful collectibility. Whenever a compromise or settlement is made, the administrator shall make a complete record of the case showing the tax assessed, reports and audits, if any, the licensee’s or permittee’s grounds for dispute or contest, together with all evidence of the dispute or contest, and the amounts, conditions, and settlement or compromise of the dispute or contest.

3. A licensee or permittee who disputes the amount of tax imposed must pay all tax and penalty pertaining to the disputed tax liability prior to appealing the disputed tax liability to the administrator.

123.38 Nature of permit or license — surrender — transfer.

1. A special liquor permit, liquor control license, wine permit, or beer permit is a personal privilege and is revocable for cause. It is not property nor is it subject to attachment and execution nor alienable nor assignable, and it shall cease upon the death of the permittee or licensee. However, the administrator of the division may in the administrator’s discretion allow the executor or administrator of a permittee or licensee to operate the business of the decedent for a reasonable time not to exceed the expiration date of the permit or license. Every permit or license shall be issued in the name of the applicant and no person holding a permit or license shall allow any other person to use it.

2. Any licensee or permittee, or the licensee’s or permittee’s executor or administrator, or any person duly appointed by the court to take charge of and administer the property or assets of the licensee or permittee for the benefit of the licensee’s or permittee’s creditors, may voluntarily surrender a license or permit to the division. When a license or permit is surrendered the division shall notify the local authority, and the division or the local authority shall refund to the person surrendering the license or permit, a proportionate amount of the fee received by the division or the local authority

for the license or permit as follows: if a license or permit is surrendered during the first three months of the period for which it was issued, the refund shall be three-fourths of the amount of the fee; if surrendered more than three months but not more than six months after issuance, the refund shall be one-half of the amount of the fee; if surrendered more than six months but not more than nine months after issuance, the refund shall be one-fourth of the amount of the fee. No refund shall be made, however, for any special liquor permit, nor for a liquor control license, wine permit, or beer permit surrendered more than nine months after issuance. For purposes of this subsection, any portion of license or permit fees used for the purposes authorized in section 331.424, subsection 1, paragraph "a", subparagraphs (1) and (2), and in section 331.424A, shall not be deemed received either by the division or by a local authority. No refund shall be made to any licensee or permittee, upon the surrender of the license or permit, if there is at the time of surrender, a complaint filed with the division or local authority, charging the licensee or permittee with a violation of this chapter. If upon a hearing on a complaint the license or permit is not revoked or suspended, then the licensee or permittee is eligible, upon surrender of the license or permit, to receive a refund as provided in this section; but if the license or permit is revoked or suspended upon hearing the licensee or permittee is not eligible for the refund of any portion of the license or permit fee.

3. The local authority may in its discretion authorize a licensee or permittee to transfer the license or permit from one location to another within the same incorporated city, or within a county outside the corporate limits of a city, provided that the premises to which the transfer is to be made would have been eligible for a license or permit in the first instance and such transfer will not result in the violation of any law. All transfers authorized, and the particulars of same, shall be reported to the administrator by the local authority. The administrator may by rule establish a uniform transfer fee to be assessed by all local authorities upon licensees or permittees to cover the administrative costs of such transfers, such fee to be retained by the local authority involved.

123.39 Suspension or revocation of license or permit — civil penalty.

1. a. The administrator or the local authority may suspend a license or permit issued pursuant to this chapter for a period not to exceed one year, revoke the license or permit, or impose a civil penalty not to exceed one thousand dollars per violation. Before suspension, revocation, or imposition of a civil penalty, the license or permit holder shall be given written notice and an opportunity for a hearing. The administrator may appoint a member of the division or may request an administrative law judge from the department of inspections and appeals to conduct the hearing and issue a proposed decision. Upon the motion of a party to the hearing or upon the administrator's own motion, the administrator may review the proposed decision in accordance with chapter 17A. Upon review of the proposed decision, the administrator may affirm, reverse, or modify the proposed decision. A licensee or permittee aggrieved by a decision of the administrator may seek judicial review of the administrator's decision in accordance with chapter 17A.

b. A license or permit issued under this chapter may be suspended or revoked, or a civil penalty may be imposed on the license or permit holder by the local authority or the administrator for any of the following causes:

- (1) Misrepresentation of any material fact in the application for the license or permit.
- (2) Violation of any of the provisions of this chapter.
- (3) Any change in the ownership or interest in the business operated under a class "A", class "B", or class "C" liquor control license, or any wine or beer permit, which change was not previously reported to and approved by the local authority and the division.
- (4) An event which would have resulted in disqualification from receiving the license or permit when originally issued.
- (5) Any sale, hypothecation, or transfer of the license or permit.
- (6) The failure or refusal on the part of any licensee or permittee to render any report or remit any taxes to the division under this chapter when due.

c. A criminal conviction is not a prerequisite to suspension, revocation, or imposition of a civil penalty pursuant to this section. A local authority which acts pursuant to this section or section 123.32 shall notify the division in writing of the action taken, and shall notify the licensee or permit holder of the right to appeal a suspension, revocation, or imposition of a civil penalty to the division. Civil penalties imposed and collected by the local authority under this section shall be retained by the local

authority. Civil penalties imposed and collected by the division under this section shall be retained by the division.

2. Local authorities may suspend any retail wine or beer permit or liquor control license for a violation of any ordinance or regulation adopted by the local authority. Local authorities may adopt ordinances or regulations for the location of the premises of retail wine or beer and liquor control licensed establishments and local authorities may adopt ordinances, not in conflict with this chapter and that do not diminish the hours during which beer, wine, or alcoholic beverages may be sold or consumed at retail, governing any other activities or matters which may affect the retail sale and consumption of beer, wine, and alcoholic liquor and the health, welfare and morals of the community involved.

3. When a liquor license or wine or beer permit is suspended after a hearing as a result of violations of this chapter by the licensee, permittee or the licensee's or permittee's agents or employees, the premises which were licensed by the license or permit shall not be relicensed for a new applicant until the suspension has terminated or time of suspension has elapsed, or ninety days have elapsed since the commencement of the suspension, whichever occurs first. However, this section does not prohibit the premises from being relicensed to a new applicant before the suspension has terminated or before the time of suspension has elapsed or before ninety days have elapsed from the commencement of the suspension, if the premises prior to the time of the suspension had been purchased under contract, and the vendor under that contract had exercised the person's rights under chapter 656 and sold the property to a different person who is not related to the previous licensee or permittee by marriage or within the third degree of consanguinity or affinity and if the previous licensee or permittee does not have a financial interest in the business of the new applicant.

4. If the cause for suspension is a first offense violation of section 123.49, subsection 2, paragraph "h", the administrator or local authority shall impose a civil penalty in the amount of five hundred dollars in lieu of suspension of the license or permit. Local authorities shall retain civil penalties collected under this paragraph if the proceeding to impose the penalty is conducted by the local authority. The division shall retain civil penalties collected under this paragraph if the proceeding to impose the penalty is conducted by the administrator of the division.

1. If a liquor control licensee or wine or beer permittee or an employee of the licensee or permittee has a reasonable belief based on factual evidence that a driver's license as defined in section 321.1, subsection 20A, or nonoperator identification card issued pursuant to section 321.190 offered by a person who wishes to purchase an alcoholic beverage at the licensed premises is altered or falsified or belongs to another person, the licensee, permittee, or employee may retain the driver's license or nonoperator identification card. Within twenty-four hours, the card shall be delivered to the appropriate city or county law enforcement agency of the jurisdiction in which the licensed premises is located. When the card is delivered to the appropriate law enforcement agency, the licensee shall file a written report of the circumstances under which the card was retained. 123.49 Miscellaneous prohibitions.

1. A person shall not sell, dispense, or give to an intoxicated person, or one simulating intoxication, any alcoholic liquor, wine, or beer.

a. A person other than a person required to hold a license or permit under this chapter who dispenses or gives an alcoholic beverage, wine, or beer in violation of this subsection is not civilly liable to an injured person or the estate of a person for injuries inflicted on that person as a result of intoxication by the consumer of the alcoholic beverage, wine, or beer.

b. The general assembly declares that this subsection shall be interpreted so that the holding of *Clark v. Mincks*, 364 N.W.2d. 226 (Iowa 1985) is abrogated in favor of prior judicial interpretation finding the consumption of alcoholic beverages, wine, or beer rather than the serving of alcoholic beverages, wine, or beer as the proximate cause of injury inflicted upon another by an intoxicated person.

2. A person or club holding a liquor control license or retail wine or beer permit under this chapter, and the person's or club's agents or employees, shall not do any of the following:

a. Knowingly permit any gambling, except in accordance with chapter 99B, 99D, 99F, or 99G, or knowingly permit solicitation for immoral purposes, or immoral or disorderly conduct on the premises covered by the license or permit.

b. Sell or dispense any alcoholic beverage or beer on the premises covered by the license or permit, or permit its consumption thereon between the hours of 2:00 a.m. and 6:00 a.m. on a weekday, and between the hours of 2:00 a.m. on Sunday and 6:00 a.m. on the following Monday, however, a holder of a liquor control license or retail beer permit granted the privilege of selling alcoholic liquor or beer on Sunday may sell or dispense alcoholic liquor or beer between the hours of 8:00 a.m. on Sunday and 2:00 a.m. on the following Monday.

c. Sell alcoholic beverages, wine, or beer to any person on credit, except with a bona fide credit card. This provision does not apply to sales by a club to its members, to sales by a hotel or motel to bona fide registered guests, nor to retail sales by the managing entity of a convention center, civic center, or events center.

d. (1) Keep on premises covered by a liquor control license any alcoholic liquor in any container except the original package purchased from the division, and except mixed drinks or cocktails mixed on the premises for immediate consumption on the licensed premises or as otherwise provided by this paragraph "d". This prohibition does not apply to common carriers holding a class "D" liquor control license.

(2) Mixed drinks or cocktails mixed on the premises that are not for immediate consumption may be consumed on the licensed premises subject to the requirements of this subparagraph pursuant to rules adopted by the division. The rules shall provide that the mixed drinks or cocktails be stored, for no longer than seventy-two hours, in a labeled container in a quantity that does not exceed three gallons. The rules shall also provide that added flavors and other nonbeverage ingredients included in the mixed drinks or cocktails shall not include hallucinogenic substances or added caffeine or other added stimulants including but not limited to guarana, ginseng, and taurine. In addition, the rules shall require that the licensee keep records as to when the contents in a particular container were mixed and the recipe used for that mixture.

e. Reuse for packaging alcoholic liquor or wine any container or receptacle used originally for packaging alcoholic liquor or wine; or adulterate, by the addition of any substance, the contents or remaining contents of an original package of an alcoholic liquor or wine; or knowingly possess any original package which has been so reused or adulterated.

f. Employ a person under eighteen years of age in the sale or serving of alcoholic liquor, wine, or beer for consumption on the premises where sold.

g. Allow any person other than the licensee, permittee, or employees of the licensee or permittee, to use or keep on the licensed premises any alcoholic liquor in any bottle or other container which is designed for the transporting of such beverages, except as permitted in section 123.95. This paragraph does not apply to the lodging quarters of a class "B" liquor control licensee or wine or beer permittee, or to common carriers holding a class "D" liquor control license.

h. Sell, give, or otherwise supply any alcoholic beverage, wine, or beer to any person, knowing or failing to exercise reasonable care to ascertain whether the person is under legal age, or permit any person, knowing or failing to exercise reasonable care to ascertain whether the person is under legal age, to consume any alcoholic beverage, wine, or beer.

i. In the case of a retail beer or wine permittee, knowingly allow the mixing or adding of alcohol or any alcoholic beverage to beer, wine, or any other beverage in or about the permittee's place of business.

j. Knowingly permit or engage in any criminal activity on the premises covered by the license or permit. However, the absence of security personnel on the licensed premises is insufficient, without additional evidence, to prove that criminal activity occurring on the licensed premises was knowingly permitted in violation of this paragraph "*j*". For purposes of this paragraph "*j*", "*premises*" includes parking lots and areas adjacent to the premises of a liquor licensee or permittee authorized to sell alcoholic beverages for consumption on the licensed premises and used by patrons of the liquor licensee or permittee.

k. Sell or dispense any wine on the premises covered by the permit or permit the consumption on the premises between the hours of 2:00 a.m. and 6:00 a.m. on a weekday, and between the hours of 2:00 a.m. on Sunday and 6:00 a.m. on the following Monday, however, a holder of a wine permit authorized to sell wine on Sunday may sell or dispense wine between the hours of 8:00 a.m. on Sunday and 2:00 a.m. on the following Monday.

l. Sell, give, possess, or otherwise supply a machine which is used to vaporize an alcoholic beverage for the purpose of being consumed in a vaporized form.

3. A person under legal age shall not misrepresent the person's age for the purpose of purchasing or attempting to purchase any alcoholic beverage, wine, or beer from any licensee or permittee. If any person under legal age misrepresents the person's age, and the licensee or permittee establishes that the licensee or permittee made reasonable inquiry to determine whether the prospective purchaser was over legal age, the licensee or permittee is not guilty of selling alcoholic liquor, wine, or beer to a person under legal age.

4. No privilege of selling alcoholic liquor, wine, or beer on Sunday as provided in section 123.36, subsection 5, and section 123.134, subsection 5, shall be granted to a club or other organization which places restrictions on admission or membership in the club or organization on the basis of sex, race, religion, or national origin. However, the privilege may be granted to a club or organization which places restrictions on membership on the basis of sex, if the club or organization has an auxiliary organization open to persons of the other sex.

Any person who violates any of the provisions of section 123.49, except section 123.49, subsection 2, paragraph "*h*", or who fails to affix upon sale, defaces, or fails to record a keg identification sticker or produce a record of keg identification stickers pursuant to section 123.138, shall be guilty of a simple misdemeanor. A person who violates section 123.49, subsection 2, paragraph "*h*", commits a simple misdemeanor punishable as a scheduled violation under section 805.8C, subsection 2.

2. The conviction of any liquor control licensee, wine permittee, or beer permittee for a violation of any of the provisions of section 123.49, subject to subsection 3 of this section, is grounds for the suspension or revocation of the license or permit by the division or the local authority. However, if any liquor control licensee is convicted of any violation of section 123.49, subsection 2, paragraph "*a*", "*d*", or "*e*", or any wine or beer permittee is convicted of a violation of section 123.49, subsection 2, paragraph "*a*" or "*e*", the liquor control license, wine permit, or beer permit shall be revoked and shall immediately be surrendered by the holder, and the bond, if any, of the license or permit holder shall be forfeited to the division.

3. If any licensee, wine permittee, beer permittee, or employee of a licensee or permittee is

convicted or found in violation of section 123.49, subsection 2, paragraph “h”, the administrator or local authority shall, in addition to criminal penalties fixed for violations by this section, assess a civil penalty as follows:

a. A first violation shall subject the licensee or permittee to a civil penalty in the amount of five hundred dollars. Failure to pay the civil penalty as ordered under section 123.39 shall result in automatic suspension of the license or permit for a period of fourteen days.

b. A second violation within two years shall subject the licensee or permittee to a thirty-day suspension and a civil penalty in the amount of one thousand five hundred dollars.

c. A third violation within three years shall subject the licensee or permittee to a sixty-day suspension and a civil penalty in the amount of one thousand five hundred dollars.

d. A fourth violation within three years shall result in revocation of the license or permit.

e. For purposes of this subsection:

(1) The date of any violation shall be used in determining the period between violations.

(2) Suspension shall be limited to the specific license or permit for the premises found in violation.

(3) Notwithstanding section 123.40, revocation shall be limited to the specific license or permit found in violation and shall not disqualify a licensee or permittee from holding a license or permit at a separate location.

4. In addition to any other penalties imposed under this chapter, the division shall assess a civil penalty up to the amount of five thousand dollars upon a class “E” liquor control licensee when the class “E” liquor license is revoked for a violation of section 123.59. Failure to pay the civil penalty as required under this subsection shall result in forfeiture of the bond to the division.

5. If an employee of a licensee or permittee violates section 123.49, subsection 2, paragraph “h”, the licensee or permittee shall not be assessed a penalty under subsection 3, and the violation shall be deemed not to be a violation of section 123.49, subsection 2, paragraph “h”, for the purpose of determining the number of violations for which a penalty may be assessed pursuant to subsection 3, if the employee holds a valid certificate of completion of the alcohol compliance employee training program pursuant to section 123.50A at the time of the violation, and if the violation involves selling, giving, or otherwise supplying any alcoholic beverage, wine, or beer to a person between the ages of eighteen and twenty years of age. A violation involving a person under the age of eighteen years of age shall not qualify for the bar against assessment of a penalty pursuant to subsection 3, for a violation of section 123.49, subsection 2, paragraph “h”. A licensee or permittee may assert only once in a four-year period the bar under this subsection against assessment of a penalty pursuant to subsection 3, for a violation of section 123.49, subsection 2, paragraph “h”, that takes place at the same place of business location.

123.92 Civil liability for dispensing or sale and service of beer, wine, or intoxicating liquor (Dramshop Act) — liability insurance — underage persons.

1. a. Any person who is injured in person or property or means of support by an intoxicated person or resulting from the intoxication of a person, has a right of action for all damages actually sustained, severally or jointly, against any licensee or permittee, whether or not the license or permit was issued

by the division or by the licensing authority of any other state, who sold and served any beer, wine, or intoxicating liquor to the intoxicated person when the licensee or permittee knew or should have known the person was intoxicated, or who sold to and served the person to a point where the licensee or permittee knew or should have known the person would become intoxicated.

b. If the injury was caused by an intoxicated person, a permittee or licensee may establish as an affirmative defense that the intoxication did not contribute to the injurious action of the person.

2. a. Every liquor control licensee and class "B" beer permittee, except a class "E" liquor control licensee, shall furnish proof of financial responsibility by the existence of a liability insurance policy in an amount determined by the division. If an insurer provides dramshop liability insurance at a new location to a licensee or permittee who has a positive loss experience at other locations for which such insurance is provided by the insurer, and the insurer bases premium rates at the new location on the negative loss history of the previous licensee or permittee at that location, the insurer shall examine and consider adjusting the premium for the new location not less than thirty months after the insurance is issued, based on the loss experience of the licensee or permittee at that location during that thirty-month period of time.

b. A dramshop liability insurance policy may be written on an aggregate limit basis.

c. The purpose of dramshop liability insurance is to provide protection for members of the public who experience damages as a result of licensees or permittees serving patrons beer, wine, or intoxicating liquor to a point that reaches or exceeds the standard set forth in law for liability. Minimum coverage requirements for such insurance are not for the purpose of making the insurance affordable for all licensees or permittees regardless of claims experience. A dramshop liability insurance policy obtained by a licensee or permittee shall meet the minimum insurance coverage requirements as determined by the division and is a mandatory condition for holding a license or permit.

3. a. Notwithstanding section 123.49, subsection 1, any person who is injured in person or property or means of support by an intoxicated person who is under legal age or resulting from the intoxication of a person who is under legal age, has a right of action for all damages actually sustained, severally or jointly, against a person who is not a licensee or permittee and who dispensed or gave any beer, wine, or intoxicating liquor to the intoxicated underage person when the nonlicensee or nonpermittee who dispensed or gave the beer, wine, or intoxicating liquor to the underage person knew or should have known the underage person was intoxicated, or who dispensed or gave beer, wine, or intoxicating liquor to the underage person to a point where the nonlicensee or nonpermittee knew or should have known that the underage person would become intoxicated.

b. If the injury was caused by an intoxicated person who is under legal age, a person who is not a licensee or permittee and who dispensed or gave beer, wine, or intoxicating liquor to the underage person may establish as an affirmative defense that the intoxication did not contribute to the injurious action of the underage person.

c. For purposes of this subsection, "*dispensed*" or "*gave*" means the act of physically presenting a receptacle containing beer, wine, or intoxicating liquor to the underage person whose actions or intoxication results in the sustaining of damages by another person. However, a person who dispenses or gives beer, wine, or intoxicating liquor to an underage person shall only be liable for any damages if the person knew or should have known that the underage person was under legal age.

Such six months' period shall be extended if the injured party is incapacitated at the expiration thereof or unable, through reasonable diligence, to discover the name of the licensee, permittee, or person causing the injury or until such time as such incapacity is removed or such person has had a reasonable time to discover the name of the licensee, permittee or person causing the injury.

Section 123.92 does not apply to a liquor control licensee who acts in accordance with this section when the liquor control licensee is providing and serving food and alcoholic beverages as an agent of a private social host at a private social gathering in a private place which is not on the licensed premises.

2. An applicant for a class “B” liquor control license or class “C” liquor control license shall state on the application for the license that the licensee intends to engage in catering food and alcoholic beverages for private social gatherings and the catering privilege shall be noted on the license or permit. A licensee who engages in catering food and alcoholic beverages for private social gatherings shall maintain a record on the licensed premises which includes the name and address of the host of the private social gathering, and the date for which catering was provided. The record maintained pursuant to this section shall be open to inspection pursuant to section 123.30, subsection 1, during normal business hours of the licensee.

3. However, bona fide conventions or meetings may bring their own legal liquor onto the licensed premises if the liquor is served to delegates or guests without cost. All other provisions of this chapter shall be applicable to such premises. The provisions of this section shall have no application to private social gatherings of friends or relatives in a private home or private place which is not of a commercial nature nor where goods or services may be purchased or sold nor any charge or rent or other thing of value is exchanged for the use of such premises for any purpose other than for sleeping quarters.
