185--16 Trade Practices	The proposed amendments to Chapter 16 make necessary updates to align IDR/ ABD's rules with the current federal regulations unless otherwise preempted by Iowa law. IDR/ ABD believes this will make the regulatory requirements clearer and ultimately make it easier for manufacturers, wholesalers, and retailers to do business in Iowa. 185-- Chapters 1, 4, 5, 8, 17, and 18	The proposed amendments will make nonsubstantive changes to IDR/ ABD's rules due to the enactment of 2022 Iowa Acts, Senate File 2374. The proposed rulemaking updates references of alcoholic beverage license and permit classifications. The proposed amendments also update current agency practices with references to the IDR/ ABD's electronic licensing system and also for the methods of payment accepted by class "E" retail alcohol licensees for alcoholic liquor.
